PROFESSIONAL EXPERIENCE

JANUARY 2020 – APRIL 2020

ARCHITECTURAL INTERN, LOCAL OFFICE LANDSCAPE (NEW YORK, USA)

I created urban street sections for environmental strategies for the Arverne East Master Plan in the Rockaways New York. I participated in the design for an urban farm, the Town Square and entry Plazas. What is more, I worked on construction documentation for the landscape design for Grove Central Station in Miami, and the Brownsville and Borough Park NYPL.

MAY 2018 – AUGUST 2018 / JANUARY 2019

ARCHITECTURAL INTERN, HANDEL ARCHITECTS LLP (NEW YORK, USA)

My work focused on Sendero Verde, a 700-unit, 100% affordable housing, mixed-use, passive house project in East Harlem, NY. I was involved in the DD and CD phases and my tasks included amenity space interior design, coordination with the client and consultants, and millwork design. Additionally, I worked on some façade design studies, construction documentation, and redlines.

AUGUST 2016 – AUGUST 2017

ARCHITECT, STUDIO M+S (QUITO, ECUADOR)

Designed, and collaborated in commercial interior design for “Republica del Cacao” chocolate boutiques and museum in Ecuador. Finalized construction details for the “Bonsai Museum Pavilion” and the Elementary School “El Matal”, bamboo structural projects. In addition, I participated in the schematic design phase for the corporate interior of Confiteca headquarters, vacation villas in Manabí and a hotel in the Galapagos Islands.

ARCHITECT, ERAZO Y GARCÍA ARQUITECTOS (QUITO, ECUADOR)

Designed, and coordinated residential and industrial projects. Designed a development for a hostel in Quito; researched programmatic needs and created a walkthrough of the design. Additionally, I designed a food truck and the commercial design of a new optic franchise.

MAY 2014 – MAY 2015

ARCHITECTURAL INTERN, ARISTA PROMARQ (QUITO, ECUADOR)

Worked on construction documentation for the master plan of Punta Ballena, a retirement and vacation complex which would be in Manabi, Ecuador. Additionally, designed and drafted vacation villas in Punta Ballena.

TEACHING EXPERIENCE

SPRING 2019 / SPRING 2020

TEACHER ASSISTANT, REPRESENTATION AND ANALYSIS II (GRADUATE COURSE)

I assisted with classroom management to the professor. I provided feedback during progress and final reviews as well as answering questions and explaining parts of the process. 3D representation and fabrication using Rhino, Grasshopper and 3DMax and V-Ray.

JANUARY 2020

TEACHER ASSISTANT, CHIANG MAI – DESIGN STUDIO 6 WORKSHOP (UNDERGRADUATE COURSE)

Guided and advised students from Chulalongkorn and Parsons in 11-day international urban workshop, led by Brian McGrath. Students had to recognize and analyze the characteristics of the different compound houses located in villages in Chiang-Mai, and the various economy sources between handicrafts and rice cultivation.

FALL 2018 / FALL 2019

TEACHER ASSISTANT, REPRESENTATION AND ANALYSIS (UNDERGRADUATE COURSE)

I assisted with classroom management to three professors. I provided feedback during progress and final reviews as well as answering and explaining parts of the process. This course introduces technical hand drawing skills as well as analysis tools to undergraduate students in their first steps into architecture.
